

Join our Webinar!

From Volunteer Experience to Education

Meet with veteran Peace Corps Volunteers and Gates Millennium Scholars who served in AmeriCorps and Teach For America! Learn how their volunteer experiences inspired their graduate school selection, as well as how these experiences propelled them into careers in STEM, education, and public health fields.

Service Experience:

Learn about international and domestic volunteer service opportunities.

Graduate Study and Career Path

Understand how to translate volunteer service experiences into post-graduate academic studies and career paths.

GMS Deferment

Understand to make these experiences work with your GSM scholarship.
